DETAILS: After a violent Memorial Day Weekend, the Milwaukee Police Department strategized as a team, marshaled its resources, asked its citizens for help and put numerous plans into action to help combat violent crime in the City of Milwaukee.

Between Memorial Day and Labor Day, Department members took guns and drugs off the streets, answered thousands of calls for service, policed numerous festivals, conducted search warrants and most important, worked with neighborhood groups to improve the quality of life for City of Milwaukee residents.

The Department has conducted many proactive measures and works on a daily basis to properly direct its resources to reduce crime on our streets. Chief Hegerty will share those measures with the public by discussing them with members of the media.
